DATE: November 19, 2018
SUBJECT: Training: Patient Rights - Restraints and Seclusion as a Last Resort
DISTRIBUTION: All DNV GL Healthcare Current Customers and DNV GL Employees
APPROVED BY: Maureen Washburn

DNV GL is providing notice to DNV GL Healthcare Accredited Organizations of a new training course: Patient Rights-Restraints and Seclusion as a last resort.

DNV GL is pleased to announce the introduction of a training course on restraints and seclusion. A one-day on-site course designed to educate hospitals on the CMS Conditions of Participation (CoP) and NIAHO® requirements regarding the rights of restrained or secluded patients, “Patient Rights-Restraints and Seclusion as a Last Resort,” is available for purchase effective immediately.

Participants will participate in an interactive review of the CMS CoP covering restraint and seclusion activities, the relevant NIAHO® requirements, and discuss strategies relative to the reduction of restraint and seclusion activities.

DNV GL Healthcare is approved by the State of California Board of Registered Nursing to issue 7 contact hours for this course.

Any questions/ comments or to schedule your private training please email DNVclientdropbox@dnvgl.com.
